Letter of Reference

To Whom it may concern

I would like to confirm that Buzz Around Shuttle Services does contract work for us.

Buzz Around transports our local and overseas guests during meeting days. They started rendering their services to us about 4 months ago, and I found them very professional , reliable and on time.

I will therefore recommend them to any one who would like to use their services.

Yours Faithfully,

Peralt van der Merwe
Director – Business & Legal Affairs
